

## Make You Feel My Love (Bob Dylan)

D D/C# /C G/B  
When the rain is blowin' in your face, and the whole world is on your case  
Gm/Bb D/A E7 A  
I could offer you a warm embrace To make you feel my love.  
When evening shadows and the stars appear, and there is no one there to dry your tears  
I could hold you for a million years, to make you feel my love.

### **Bridge:**

G D/F#  
I know you haven't made your mind up yet  
F# G D  
But I would never do you wrong  
G D/F#  
I've known it from the moment that we met  
A  
No doubt in my mind where you belong.

I'd go hungry, I'd go black and blue, I'd go crawlin' down the avenue  
No, there's nothin' that I wouldn't do, to make you feel my love.

### **Bridge:**

Though storms are raging on the rollin' sea  
And down the highway of regret  
The winds of change are blowing wild and free  
You ain't seen nothin' like me yet.

I could make you happy, make your dreams come true  
There is nothing that I wouldn't do  
Go to the ends of the earth for you, to make you feel my love.  
To make you feel my love.
